

ATMIA SOLUTIONS GUIDE

A COMPLETE CRYPTOCURRENCY SOLUTION

Distributor Program

You can earn up to \$24,000 by helping us place just one of our crypto ATMs. Better yet, Bitcoin Depot® provides a turnkey, fully-hosted and managed service to the retailer where we take care of everything including installation, customer support, compliance, marketing, and maintenance. Our top distributors are already earning over \$40,000 in residual income per month with no capital investment required.

Integration Solutions: Coming Soon!

Allow your crypto ATM to accept debit cards or cash for Bitcoin and outsource the entire management responsibility to us at Bitcoin Depot®.

THE BITCOIN DEPOT DIFFERENCE

- Fastest customer support in the industry
- World-class compliance program
- Dedicated account management team
- Multimillion-dollar annual marketing budget
- 100% Genmega hardware
- Built for scale

WHO WE ARE

Bitcoin Depot® is the largest cryptocurrency ATM company in the world with a current network of over 3,000 cryptocurrency ATMs. We enable users to buy Bitcoin and over 30 other cryptocurrencies instantly.

BRINGING CRYPTOCURRENCY TO THE MASSES SINCE 2016.
